Mission Statement

The UT Martin Student-Athlete Academic Services (SAAS) Program is committed to helping student-athletes by ensuring they have the tools necessary to succeed as they strive to earn their degree and become professionals. SAAS and the University offer a variety of programs to make sure each student-athlete reaches his or her potential. These programs include academic counseling, tutoring services, academic progress tracking, calculator/clicker/laptop check-out, and community service opportunities. These programs are aimed at aiding the student-athlete in graduating and becoming productive citizens after earning their degree.

Provided Services

Our SAAS offers a variety of services in order to help student-athletes reach their full potential.

- Tutorial Services—All student-athletes have access to our free tutorial services. We offer tutoring in a variety of subjects. Student-athletes can work with tutors one-on-one or in a group setting.
- SAAS Computer Lab—Located in 1030 Elam Center in the Athletics Department, the computer lab is open from 8am-5p, Monday-Friday for student-athletes to work on homework, print assignments, and meet with tutors. Each computer is connected to the Internet and includes Microsoft Word and Powerpoint.
- Calculator/Response CardCheck Out— Student athletes can check out TI graphing calculators/ response cards each semester if their class requires this technology.
- Laptop Travel Program—If student-athletes are travelling for competition, they can check out a laptop for the time they are away for travel.

NCAA Academic Eligibility Rules

Student-athletes must meet the following NCAA rules to remain eligible:

- Earn at least a 2.0 cumulative GPA.
- Declare a major before the 3rd year.
- Be enrolled in at least 12 credits at all times during the fall and spring semesters.
- Pass 24 credits during the first year during the fall, spring, and summer, including 18 credits only in the fall and spring semester.
- Pass a minimum of 6 credits each Fall and Spring semester (9 credits for football in the Fall).
- Returners must pass 18 credits during the Fall and Spring semester.
- Must have 40% degree completed by the end of the 2nd year; 60% by the 3rd year; 80% by the 4th year.
